--	---

Samples

unclotted blood feathers other sample types:

Filling in the form

Please mark the desired test. May we ask to provide as many details as possible on the samples that were sent. We also would like to ask to clearly state name and/or identification number of the animal on the samples.

After completion of the tests, we send the results and the invoice to the owner. Please mention clearly on the application form if you wish otherwise. If you have any questions, please turn to our contact person:

Mr. R. Van Gansbeke Ph: +32 9 264 78 01 – F: +32 9 264 78 49
